---

January 13, 2011

Dear Town Residents:

The Town of Morrison Plan Commission will be holding an Informational Meeting on Tuesday, January 18, 2011, 7:00 pm, at the Town Hall.

We will have Glen Schwalbach, who has been our Town Representative regarding Wind Energy, available to give an update on the new Wind Siting Rules and inform us as to his contacts with our state legislatures.

The Plan Commission is going to be working on revising our current Wind Ordinance and would like your input. The state came out with revised Wind Siting Rules, which will go into effect on March 1, 2011.

We would appreciate receiving any comments you have regarding wind energy. We will use your comments to help us amend our current ordinance.

We ask that you submit your comments in writing so we can reference these as we review the ordinance. In addition to submitting your written comments, you will also have an opportunity to read your comments, if you choose.

If you can't make this meeting but would like to submit comments, please send your comments to me and I will forward them to the Plan Commission.

If you have any questions regarding this meeting, please don't hesitate to contact me.

Sincerely,  
Joy Koomen
