

## Dog Licenses

It is a State Statute that all dogs must be licensed (tagged) and have their appropriate shots, as stated in State Statute Section 174.054: "The owner of a dog more than 5 months of age on January 1<sup>st</sup>, of any year, or 5 months of age within the license year, shall annually, or before the date the dog becomes 5 months of age, pay the dog license tax and obtain a license. Owners are responsible for licensing their dogs."

Dogs must also be on the owner's property at all times, unless properly attached to a leash. If your dog is not properly trained to stay on the property, it must be tied or in a kennel. Dogs running at large or untagged are subject to impoundment. The penalties for this range from \$25-\$100 for the 1<sup>st</sup> offense, and \$50-\$200 for subsequent offenses.
