The Town Board of the Town of Morrison would like to thank everyone for taking time to recycle. It is important that we continue to recycle, and the town residents continue to meet the DNR set standard quota of 82.4 pounds of recycleable material per resident of the town; In 2015 our average per resident is 125.79 pounds; if you recycle anyplace other than at the town center, please save and turn in your weight slips, the town will get credit for it; this results in grant money received for recycling;

The hours at the Recycling Center are:

Every Wednesday: 5:00 p.m. - 8:00 p.m. and Saturday: 8:00 a.m. - 12:00 noon

*NOTE The recycle center is CLOSED on all legal holidays

If you have any questions concerning recycling, please contact our recycling specialist William Lasee.

For additional information on recycling please refer to the

Brown County Website: www.co.brown.wi.us

To avoid potential littering of our roadways -

Please remember to tarp all open loads delivered to the Town Recycling Center.

Thank-you - The Morrison Town Board
