Revaluation to begin in August

The Town of Morrison will be performing a complete revaluation beginning in August. A "complete" revaluation means all homes and businesses will have the interiors viewed by the assessor. Interior inspections are necessary to determine the best estimate of market value.

It has been 19 years since the last complete revaluation. (1996). A letter will be sent when the assessor is working in your area. Please call and schedule a time to have the inspection completed. If you wish to call now to schedule, please call 468-9698, weekdays between 8:00 am and 4:00 pm. You may also call if you have any questions regarding the revaluation.
