

AG ZONED PROPERTY OWNERS
Town of Morrison Informational Meeting
TUESDAY, MARCH 23, 7:00 PM
TOWN HALL, 3792 PARK RD

The Farmland Preservation Program is changing. It is going to be called the **WISCONSIN WORKING LANDS INITIATIVE PROGRAM**. If you have Ag land in the Town of Morrison, you will be affected by this new State Mandated Program.

An informational meeting is being held to inform Morrison Ag zoned property owners of the provisions contained in the new Wisconsin Working Lands Initiative Program.

Brown County Senior Planner, Aaron Schuette, will give a short presentation and be available to answer questions.
