The Town Board of the Town of Morrison would like to thank everyone for taking time to recycle. It is important that we continue to recycle, and the town residents continue to meet the DNR set standard quota of 82.4 pounds of recycleable material per resident of the town; In 2018 our average per resident is 126.79 pounds of materials- If you recycle anyplace other than at the town center, please save and turn in your weight slips, the town will get credit for it; this results in grant money received for recycling;

The hours at the Recycling Center are:
Every Wednesday: 5:00 p.m. - 8:00 p.m.
and Saturday: 8:00 a.m. - 12:00 noon
***NOTE The recycle center is CLOSED on all legal holidays**

If you have any questions concerning recycling, please contact our recycling specialist William Lasee.

For additional information on recycling please refer to the Brown County Website: www.co.brown.wi.us

To avoid potential littering of our roadways - Please remember to tarp all open loads delivered to the Town Recycling Center

ZONING

The Town of Morrison Planning Committee makes formal recommendations to the Town Board regarding **zoning change requests and conditional use permits**.

If you are interested in applying for a zoning change or conditional use permit, you must submit a Change Request form to the Zoning Administrator, Joy Koomen, along with a \$300 application fee. The Planning Committee holds meeting the second Thursday of each month. All property owners within a 100 foot radius will receive written notification of your request. A public hearing will be held within 30 days after this meeting. After the public hearing, the request will be on a monthly Town Board meeting agenda. The Town Board will receive the recommendation of the Planning Committee. It is the Town Board that makes the final decision whether to grant the request.

It takes several months from application until a final decision is made for requests, so please make sure you give the Town sufficient time to review your request.

Joy can be contacted at zoningmorrison@gmail.com or 920-660-8767 with any questions.

Building Permits: Please contact Marty Johnson at mjohnson@omro-wi.com or 920-410-6756 to inquire about Building Permits. **He is available most Tuesdays and Thursdays by appointment only. Please leave a message regarding your request if no immediate answer.**
