

**TOWN OF MORRISON
BUILDING PERMIT RESOLUTION**

Whereas, The Town of Morrison requires persons to apply for building permits for the following:

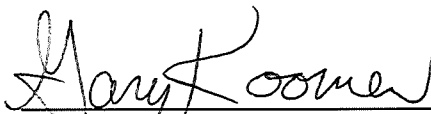

- New Home
- Interior Remodel – ex: bathroom, kitchen, fireplace, finish or remodel basement
- Any type of addition to home; deck, porch, patio, gazebo, etc
- All out buildings – ex: garage, shed, lean to’s, including ‘portable’ over 150 sq ft.
- All agricultural buildings
- Inground pools
- Replace siding
- Windows, if they alter the existing frame/jam
- Raze structure, no fee for this permit
- Fire restoration
- Electrical permits required for: electric service upgrades, Solar, and Generators
- Permit required for garage heater, if gas

The following projects don’t require a building permit:

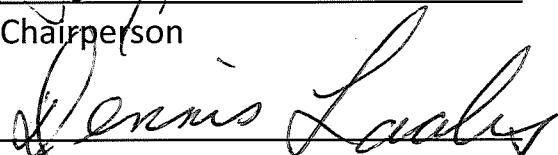

- Basic landscaping
- Fencing
- New paint, carpeting, flooring
- New roof
- Driveway repairs

There will be a \$200 fine if no permit is applied for prior to the start of a project
